

CERTIFIED GLOBAL BUSINESS PROFESSIONAL (CGBP) CREDENTIAL

Step Up Your Career in International Business!

The Certified Global Business Professional (CGBP) credential is an industry-based standard for individuals that are involved in or entering professions in international trade. It is a challenging credential to earn, and represents a high level knowledge/skills in Global Business Management, Global Marketing, Supply Chain Management, and Trade Finance. It also encompasses knowledge related to relevant documentation, legal & regulatory compliance, intercultural awareness, trade-related technology and resources.

Earning the CGBP credential gives you a competitive edge, and ensures you have a broad understanding on a range of topics.

After earning the CGBP credential, you will gain the following benefits:

- Use of the NASBITE CGBP credential logo
- Will help you establish a professional development goal to keep up on current topics and trends
- Will help you diversify your skills and knowledge in global commerce
- Listing in the online NASBITE CGBP directory
- Networking opportunities with others that have earned and maintained the CGBP credential at the NASBITE Annual Conference
